Re: C00331769

Dear Ms. Sugarman;

I have been asked to respond to your inquiry dated April 9, 2002. Please note the following items for your inquiry:

Our software has been modified to comply with FEC requirements and an amended report has been filed for the period ending February 13, 2002 to comply with the new election cycle reporting regulations. In addition, our recently filed amendment for the period ending December 31, 2001, properly listed the debt that is shown as "beginning debt" on the original February 13, 2002 pre-election report.

We have also included in our current amendment an "in kind" contribution dated January 24, 2002, received from Peace PAC. We were not notified of the in kind contribution until mid April.

The committee's solicitations include a clear and conspicuous request for contributor information. The solicitations also include a clear statement that the information is required under the Federal Election Act. We have previously provided you with a description of our procedures to obtain missing contributor occupation and employer information.

Should you have any questions, please call me:

Sincerely,

PATRICK J. KOZLOWSKI
Committee Accountant
